JUPITOL COMPRESSOR OIL-150	Product Category	Industrial Lubricants
	Serial No	014
	Date	01.04.2021

Product Description:-

Jupitol Compressor Oil -150 is blended from high quality solvent refined, high VI base oils and fortified with special additives. This oil inhibits anti-oxidant and anti-rust properties. This oil ensure low carbon deposit and trouble free performance. This Oil possess high fluidity at low temperatures, resist deposit formation and have reduced tendency to foam. It has long service life due to good oxidation and thermal stability and ensure high condenser efficiency and reduced maintenance due to less deposits.

Features:-

- Good protection against rusting.
- Good oxidation stability ensures low sludge formation.
- Very low carbon deposits.
