PRODUCT DATA SHEET FOR JUPITOL RUST PREVENTIVE OIL DW -04

JUPITOL RUST PREVENTIVE OIL DW- 04	Product Category	Industrial Speciality
	Serial No	008
	Date	01.04.2021

Product Description:

Jupitol Rust Preventive Oil DW-04 is a medium thick film deposited, water displacing, premium quality non-drying type rust preventive oil. This oil can be applied directly to water wet metal surfaces, where it displaces water and leave a oily film which has marked anti-rust properties.

Applications:

- Protection of machine tools and components of ferrous and non-ferrous metals, it's alloys and brass.
- This product is applied by dipping or by spraying.
- The protective film can be removed by wiping off with rags/waste soaked in kerosene/ mineral turpentine. It can also be removed by alkaline degreasants.
